CIB WEBSITE IS CHANGING!

Heads up! Our website is getting a fresh new design early 2026. Same trusted CIB — now with an even easier online experience.

RECAP OF OUR 75TH ANNIVERSARY

In 2025, we celebrated our 75th Anniversary, a milestone reflecting decades of personal service, community partnership, and the values of an independent, family-owned bank. It was a meaningful opportunity to recognize our history and the relationships we've built along the way.

Each of our four branches hosted its own 75th Anniversary celebration, bringing together customers, neighbors, and community members for weeks of fun and connection. We loved seeing familiar faces, meeting new ones, and celebrating the relationships that shape who we are today.

As part of the festivities, we gave away over \$4,000 in prizes, including four 75-inch TVs, gift baskets, Twins box seat tickets, and more. The enthusiasm and support from everyone who participated made each celebration truly memorable.

To commemorate the occasion, CIB staff also sealed a Legacy Capsule, which will be reopened in 25 years. Many employees completed questionnaires sharing what CIB is like today, and we included memorabilia representing our 75th anniversary, such as celebration pins, newsletters, articles, and items featuring our special 75th anniversary logo.

Thank you to all who joined us and helped make our 75th Anniversary so special. We are grateful for your trust and support and look forward to serving you as your local community bank for many years to come!

CIB TRAINING & SERVICE DAY

During the first half of our annual Training and Service Day, we enjoyed an engaging session with Kristen Brown, Hall of Fame Speaker and Certified Speaking Professional. She shared her Powering Up Your Energy framework, sparking great insights and conversation. We even had some fun with a lively "snowball fight" activity that helped us learn more about each other!

In the afternoon, we shifted gears to service at MATTER, where our team packed 176 snack kits, 70 hope kits, and sorted 4 pallets of medical supplies, making a meaningful impact for those in need. It was an incredible day of learning, connection, and community impact!
